Type	Shelves

Features

- For use with Backyard Pro LPG liquid propane grill (sold separately)
- Perfect for keeping food pans close to the grill
- Holds a full size 12" x 20" food pan
- Durable stainless steel construction

Notes & Details

Ensure optimal convenience when grilling by adding this Backyard Pro stainless steel end shelf with full size food pan cutout to your LPG liquid propane grill (sold separately). This shelf attaches onto your unit to keep food pans close to the grill. It is constructed of durable stainless steel, and the cutout can hold a full size food pan. This makes it easy to place finished product directly into the food pan until it is ready to be served.
