

Item #: 45BWH20820 Project: _____

Qty: _____ Date: _____ Approval: _____

Boltic Steel Electric Fan-Forced Wall Heater - 1.5 kW / 2 kW

Item #45BWH20820

Technical Data

Width	10 5/8 Inches
Depth	5 1/8 Inches
Height	12 3/16 Inches
Voltage	208/240 Volts
Wattage	1.5 / 2 Kilowatts
Color	White
Control Type	Manual
Coverage Area	150 - 200 sq. ft.
Features	UL Certified
Material	Steel

Features

- Compact design takes up minimal space
- Operates using an electric, 1-speed, 2 kW enclosed motor
- Features a built-in adjustable thermostat
- Temperature range of 40-130 degrees Fahrenheit
- 208/240V hardwired connection

Certifications

UL Certified

Hardwired

Technical Data

Motor Type	Enclosed
Mounting Style	Wall Mounted
Number of Speeds	1 Speeds
Plug Type	Hardwire
Power Type	Electric
Temperature Range	40 - 130 Degrees F
Type	Forced Air Heaters

Notes & Details

Maximize space and warmth in your commercial establishment with this Boltic wall heater. This compact heater consumes only 1.5 kW / 2 kW and is designed to efficiently heat an area while taking up minimal space on your wall. The electric, fan-forced motor operates at one speed, providing consistent warmth to keep your customers or employees comfortable. It features a temperature range of 40-130 degrees Fahrenheit and a built-in adjustable thermostat with a maximum and minimum setting, allowing you to customize the heat output to suit your needs. For added safety, a red light will illuminate only if the unit is overheating. If this happens, simply turn the heater off at the circuit breaker for at least 10 minutes to reset it.

Perfect for various commercial spaces, this wall heater has a coverage area of 150-200 sq. ft., ensuring that your space remains cozy and inviting. The 208/240V hardwired connection provides a secure and reliable power source for continuous operation. Its durable steel construction guarantees long-lasting performance, while the vertical mounting option makes installation a breeze. This wall heater is a practical and efficient solution for keeping your space warm and comfortable.
