## Notes & Details

Keep your workspace cool and comfortable with this Boltic fan! This versatile fan is designed for indoor use in offices, industrial spaces, or commercial locations. It has a space-saving, wall-mount design, and it includes a convenient wall bracket for easy installation (hardware included). It boasts a durable construction with aluminum blades for long-lasting service.

This fan operates using a powerful 100W motor. It offers 3 different speeds including low, medium, and high to meet a variety of cooling preferences. The speed is easy to change using the simple pull chain. For additional versatility, this fan rotates 360 degrees to blast air in any direction. Assembly is required. This unit requires a 120V electrical connection for operation.
