Notes & Details

Optimize your merchandising displays with the Carnival King HZW-12D2 12" full service pretzel display warmer / merchandiser. An excellent addition to your concession stand, food truck, or carnival booth, this full service warmer and merchandiser provides both food warming and display space to enhance your food merchandising experience! This countertop warmer offers 3 adjustable shelves for increased versatility. Each shelf can hold (1) pizza up to 12", or any other hot grab-and-go food. It also comes with a rotating pretzel rack, so you can feel confident that this warmer and merchandiser can support all of your food display needs. Plus, the rotating rack provides two key benefits, ensuring that your product is both evenly heated and well presented. The temperature range is approximately 88-150 degrees Fahrenheit. This unit is also compatible with a variety of accessory racks (sold separately) for numerous rotating displays that will catch the attention of your customers.

With 4 glass sides, this unit provides excellent clarity so customers can see your delicious offerings from every angle. Additionally, this unit's bright, colorful graphics feature an eye-catching design so customers can tell from a distance what you have to offer. It also features dual doors that open on both operator and customer sides, providing efficient restocking and purchasing.

Feel in control of your display with power switches for the motor, lights, and heat. With a heating power of 500W, this unit ensures your food is warm and ready to serve at all times. The infinite heat temperature dial allows you to make quick adjustments to keep different foods at ideal temperatures. Enhance your merchandising displays with this Carnival King full service warmer and merchandiser.

Kit Includes:

- 12" warmer/merchandiser with 3 adjustable shelves
- Pretzel rack
