Notes & Details

Tempt guests with the tantalizing visual and irresistible aroma of popular snack foods at your concession stand, snack bar, arena, or stadium by holding them in this Carnival King NCM160 10 lb. Nacho Chip, Popcorn, Peanut Warmer / Merchandiser! Attention-grabbing signs for nachos, peanuts, and popcorn are included for maximum merchandising effects. Boasting an impressive 10 lb. capacity, this unit holds plenty of product, and its top-loading design with a removable lid makes it incredibly simple to refill during a hectic rush.

This warmer / merchandiser has a 100W element in the base of the unit, allowing the heat to rise through your product and ensuring a consistently warm and delicious snack for your customers! Plus, a 60W heating lamp is included with this machine for added heating and enhanced merchandising. A stainless steel and tempered glass construction provides durability and ease of cleaning. A 120V electrical connection is required for operation.
