Notes & Details

Casually whip up your favorite frozen beverage with this Carnival King triple 2.6 gallon pourover granita / slushy / frozen beverage dispenser! Ideal for frozen treats like smoothies, slushies, and granitas, this cost-effective dispenser is sure to boost beverage sales by showing off the refreshing drinks inside, increasing your customers' thirst. Plus, with a durable stainless steel chassis and removable drip tray, this beverage dispenser is hassle-free.

The (3) 2.6 gallon bowls give high visibility to the contents inside. This dispenser also includes a bowl slush thickness control on the back of the device, which gives you the perfect consistency for every occasion. This light-duty slushy machine is ideal for low-usage environments only. Do not allow the machine to run for longer than 8 hours at a time. Keep your customers happy and hydrated with all of your delicious frozen concoctions in this durable dispenser.
