Type	Jockey Boxes

Notes & Details

Easily serve up your signature draft beer anywhere with this CaterGator JB45WH3 white 3 faucet 47 qt. insulated jockey box. Perfect for beer festivals, fairs, tailgates, and other outdoor events, this convenient mobile draft beer system doesn't require any electrical power to function and is an ideal alternative to a hard-to-transport outdoor kegerator. The unit includes (3) 69' stainless steel coils that keep your beer extra cold while dispensing to ensure optimal taste, and their length is great for handling continuous pouring at your large events. Its 3/8" line connection is easy to set up for quick and convenient service.

This jockey box features 3 draft faucets that allow you to dispense multiple offerings at once. This unit boasts a triple-insulated design to ensure the ice bath stays cold, and it features a layer of high-density polyethylene to make it virtually indestructible. Plus, the rigid, white exterior provides the durability you need to keep up with your many trips and remote events.

This box features a rope handle on each side for effortless transport from destination to destination. After use, the box is easy to wash thanks to a side plug that drains the contents to shorten clean up time. For added convenience, the lid features a 20" ruler engraved along its edge, 2 built-in cup holders, and 2 bottle openers, which function as metal reinforced padlock slots when you want extra security. Wherever the party and whatever the menu, this jockey box provides the holding power, durability, and convenience that you need and want. Plus, it arrives equipped with the cooler, coils, taps, and tubing to attach the coils for optimal convenience and ease of setup. Additionally, it requires a CO2 tank, CO2 regulator, a keg, and keg couplers (all sold separately) for operation.
