Notes & Details

Perfect for catering events, trust this CaterGator blue insulated front loading 5-pan carrier kit with black dolly and strap to help you transport your signature dishes safely to and from events. This set comes with (1) 5-pan front loading insulated food pan carrier, (1) black strap, and (1) black dolly. This pan carrier holds up to (5) 2 1/2" deep food pans and can accommodate various combinations of full, 1/2, and 1/3 size pans that are 2 1/2", 4", and 6" deep. It will work with most types of pans as well, including foil, plastic, and even stainless steel. Because this carrier is made with rugged polyethylene, it can withstand high heat exposure and heavy use. It also offers superior temperature retention and maintain hot or cold food temperatures for up to 7 hours. If you need a longer hold time, you can use the CaterGator hot board or CaterGator ice board (sold separately) to extend your food holding time even further. The carries feature a door that extends to a full 270 degrees for easy access to your food pans and is completely removable for easy cleaning. Plus, the carriers can be stacked with other CaterGator, Carlisle, and Cambro carriers (sold separately).

Quickly and safely transport this pan carrier with the included dolly and strap. This dolly can transport up to 300 lb. of stacked food pan carriers. This dolly boasts 4" non-marking swivel casters to reduce damage to floors and features rounded corners to reduce impact damage on walls. Plus, two casters have brakes to secure the unit in place when needed. The dolly's lip is low enough to open the door to access contents while keeping the carrier secure. It features a central hole to easily drain liquid or steam. The strap easily adjusts to for a secure fit around the dolly and pan carriers, and its buckle makes secure transport easy. Upgrade your catering services with this insulated pan carrier kit!

Kit Includes:

- (1) Blue insulated pan carrier
- (1) Black dolly
- (1) Black strap
