Notes & Details

Designed for transport, the CaterGator black front loading insulated food pan carrier with red hot board provides the versatility and quality you need to safely deliver pans of food. It holds (5) 2 1/2" deep full size food pans to accommodate any of your signature dishes. It will work with most types of pans as well, including foil, plastic, and even stainless steel. The versatile design allows can accommodate various combinations of full, 1/2, and 1/3 size pans to best suit your needs, making this carrier a go-to choice for any application.

Because the carrier is made with polyurethane foam, it offers superior temperature retention and maintains hot or cold food temperatures for up to 7 hours. The carrier is also NSF certified and Made in America. As a bonus, this carrier comes equipped with a red full-size hot board that is convenient and easy to use. This board will extend the temperature holding times of your hot foods by an additional 4 hours by simply placing the board in water no hotter than 200 degrees Fahrenheit for 35-60 minutes, and slide or place into your carrier. This provides a total of up to 11 hours of perfect storage temperatures! This board lays flat in the CaterGator food pan carrier and comes equipped with distance knobs that prevent the board from sticking to the pan. A built-in handle conveniently lifts the board in and out of the carrier to avoid injury.

This insulated pan carrier features a rugged, polyethylene exterior and withstands constant wear and tear from use, transport, and exposure to high heat. It includes plastic latches that securely lock the door to retain temperature. It also includes steel reinforced plate hinges to resist breakage and to ensure longevity. The door even extends to a full 270 degrees for easy access. For convenient transport, the unit features molded-in handles that are both durable and ergonomic. This design allows the carrier to stack with similar Carlisle and Cambro carriers and simplify storage. Delivering quality products at a fair price, CaterGator is the ideal serving solution for catering businesses, hotels, food trucks, and concession stands. Upgrade your catering services with this insulated food pan carrier!
