

Utility / Bussing Carts ALUMINUM CONSTRUCTION

Channel's broad selection offers the best solutions for your applications.

TDC2953A-2

US1827-3

- These carts are constructed of extra heavy-duty, high-tensile extruded material, making them perfect for a variety of applications, including bussing, storage, and transport.
- The cart is equipped with a handle at one end for comfortable pushing and steering. It is also fitted with 5" full swivel casters, including non-marking wheels to protect your facility's floors.
- This product comes with a lifetime guarantee against rust, ensuring its durability.
