

#176ICBN125BK

Mobile Ice Bins

32" x 23" x 29" • BLACK

125 LB. CAPACITY

Features & Benefits

Cold Retention

Maintains temperature for up to 4 hours without replenishing ice. Hold temperature for days by draining melted ice and refilling caddy with new ice.

Capacity

Transport and store up to 125 lb.

Superior Temperature Retention

Thick insulation to preserve cold temperatures.

Recessed interior well and faucet for quick draining to keep ice out of melted water and extend holding times. Recessed interior well fits any brand 1/3 size drain tray.

Convenient Access

Slide lid back and secure under the top lid for easy accessibility to contents.

Lids are removable for thorough cleaning.

Large 11½" x 17" opening for loading and unloading of contents.

Easy Mobility for Any Surface

- (2) 5" front swivel casters with brakes.
- (2) 8" rear fixed wheels.
- Large wheels make mobility easier and smoother than smaller wheels.
- Sturdy, molded-in handles.

Durable Polyethylene Exterior

No Assembly Required
