Installation Type	Freestanding
Number of Burners	3 Burners
Number of Controls	3 Controls
Power Type	Natural Gas
Total BTU	120000 BTU
Type	Lava Rock Charbroilers
Usage	Medium Duty

Notes & Details

Enable the ultimate cooking convenience with this Cooking Performance Group 36CLSNL 36" lava briquette charbroiler with Regency equipment stand base. The broiler boasts three powerful 40,000 BTU stainless steel U-shaped burners to heat your included lava briquettes, which in turn evenly distribute the heat toward your food while catching the drippings to create that unmistakably smoky "outdoor barbecue" scent and flavor. The reversible cast iron top grates give your meats tantalizing grill marks, sporting a thin side that's perfect for searing and a thick side that's great for your more delicate foods. They can also be used in a flat or sloped position so that you can simultaneously cook various foods to the desired level of doneness!

Thanks to its stainless steel construction, a full width waste tray and the ability to remove the cast iron grates and stainless steel burners without tools, the lava briquette charbroiler is both durable and extremely easy to clean! It's even designed for the countertop, providing much-needed space-efficiency. It has a 3/4" rear gas connection and ships ready to connect to a natural gas supply, but includes a liquid propane orifice kit for simple field conversion.

The included stainless steel equipment stand is built to stand up to daily use in even the busiest commercial settings! It features a durable 16-gauge type 304 stainless steel top shelf that can support up to 800 lb. of evenly distributed weight, while the galvanized steel undershelf can hold 620 lb. This stand is ideal for holding up your charbroiler or heavy countertop equipment. A 2" edging comes standard to help contain equipment and contents for added safety. This unit stands on sturdy galvanized steel legs with adjustable plastic bullet feet that allow you to level the stand on uneven surfaces.

Kit Includes:

- Cooking Performance Group CL-CPG-36-NL 36" gas countertop lava briquette charbroiler
- Regency 30" x 36" 16-gauge stainless steel equipment stand with galvanized undershelf
