Notes & Details

Elevate your countertop oven with this Cooking Performance Group full size oven stand. Made with durable 14 gauge, type 430 stainless steel, this stand is built to withstand the demands of a busy commercial kitchen. It is compatible with the Cooking Performance Group COF-T4-M and COF-D4-M electric countertop full size convection ovens. Four sturdy 6" bullet feet elevate the unit, optimizing counter space and offering extra storage space for pans and trays. This allows you to keep your hot food trays out of the way while cooling. The stand features 4 position tray runners for easy access and efficient organization of your cooking tools. Assembly is required.
