Notes & Details

Elevate your combi oven with this Cooking Performance Group low-profile stand. Made with durable 16 gauge type 430 stainless steel, this stand is built to withstand the demands of a busy commercial kitchen. It boasts an impressive 650 lb. weight capacity and is compatible with Cooking Performance Group OCB110I and OCB16I half size electric combi ovens (sold separately). It includes 4 sturdy legs and a low-profile design to securely elevate the stand, offering space-saving convenience and easy access to your oven. This stand ships assembled for immediate use.
