Notes & Details

Boost your kitchen's efficiency, reliability, and overall performance with this Cooking Performance Group S36-G12-L liquid propane 4 burner 36" range with 12" griddle and standard oven! This liquid propane range boasts (4) 30,000 BTU open top burners to deliver the impressive cooking performance you demand. The independently-controlled burners mean you can simultaneously execute a wide variety of tasks while their 12" x 12" heavy-duty cast iron grates support your sauce pans and fry pans. These rugged grates allow you to confidently boil, saute, and simmer as needed while effortlessly sliding even the heaviest stock pots from one burner to another. A 4 1/2" plate rail gives you extra room to work with and combines with a 9 1/2" deep back shelf that holds go-to seasonings and supplies to maximize your cooktop efficiency.

In addition to the four open burners, this range comes with a 12" griddle ideal for making pancakes, eggs, sausages, or steaks. With the added versatility, you can expand your menu offerings within the same footprint. The 20,000 BTU U-shaped burner provides sufficient power to make this range a work horse in your kitchen.

A 30,000 BTU standard oven makes this unit even more versatile by giving you a convenient way to warm your delicious foods or even do a bit of baking for your dessert menu! The oven's temperature can be adjusted from 250-550 degrees Fahrenheit to accommodate virtually any recipe. With 2 chrome plated racks that can be used in 4 different positions, you can easily arrange the oven to best complement your specific needs.

This 36" range features a rugged stainless steel front and durable aluminum sides that are not only designed to provide you with years of trouble-free performance, but are also extremely simple to clean! The cast iron grates lift off for a simple, thorough cleansing while the deep pull-out crumb tray further expedites end-of-day cleanup. And, thanks to the porcelainized bottom, maintaining a spotless oven is easier than ever. The 6" adjustable stainless steel legs ensure that your unit is level and allows you to easily clean underneath for a safe and sanitary kitchen. A liquid propane gas connection, located on the right side, is required for operation.
