## Cooking Performance Group SR-CPG-24-NL 24" Step-Up Countertop Range / Hot Plate with 4 High Output Burners - 120,000 BTU

### Notes & Details

Boasting 4 powerful 30,000 BTU burners with standing pilots for instant ignition, this Cooking Performance Group SR-CPG-24-NL countertop range gives you the high performance cooking solution you need to quickly and easily prepare sauces, sides, and entrees! The heavy-duty cast iron trivets are oriented in a step-up alignment so that you can easily access pots and pans on the rear burner, and they also help protect the burners against clogs resulting from overflow.

This 4 burner countertop range features an all stainless steel construction to ensure long-lasting durability and easy cleaning, while a full width waste tray also helps expedite end-of-day cleaning. It ships ready to connect to a natural gas supply, but includes a liquid propane orifice kit for simple field conversion.
