Dual Lamp ST Model Carving Stations

Description:

Dual mounted warmer fixture to match any décor. Clean "modern " design with no exposed fasteners. All fixtures are constructed using the finest materials and components. Lamp body is constructed from heavy gauge Welded Stainless Steel. Standard finishes include Polished Chrome (CH), Stainless (SS), Brass (BR), Black (B), and Smoked Copper (SC). Specialty finishes include Bright Copper (BC) and custom powder coats. All finishes are non-tarnishing, require no polishing and are easy to clean. All internal components including lamp socket and wiring are high temperature rated (200°C).

Standard Features:

- Two standard base colors to choose.
- Teflon coated shatterproof light bulb.
- Custom options available for bases. Including larger and custom sizes and finishes.
