

Double Door Enclosed Message Centers

UVDD5240 with UVMCP

UVDD5240

52" x 40" Double Door Message Center in Sand with Cork

Double Door Enclosed Message Centers

These Double Door Message Centers have the same features as the Single Door units, but are split down the middle for a perceived separation of content. Boards can be illuminated around the entire perimeter, flooding the panel surface with light. The polycarbonate message center can be mounted on a wall or with a set of two posts (not included). Choose between a self-sealing cork insert, black felt letterboard insert or our new synthetic fabric-covered tack board for the interior (NuBoard). Letterboard inserts include 145-piece 2 3/4" Helvetica letter/number set.

Features:

- 3/4" wide main frame, 1 1/2" wide door frame
- 5 1/2" exterior depth
- 3 3/4" interior depth
- 8 1/2" rain cover depth
- Includes two keys
- Posts optional-order separately, see page 89
- Please allow for extra lead time
- Available in bottom hinge option
- Cork
- Recycled Rubber
- Synthetic NuGroove
- Synthetic NuBoard
- Magnetic Receptive
- Fabric covered

★ LED Illumination now available - Please call for info.

UVDSB4530

45" x 30" Double-Sided Bottom Hinge Message Center in Sand with Cork

Double-Sided Bottom Hinge Outdoor Message Centers

These centers have a single door on each side that both open with a bottom hinge. Our product is the ideal way to display important postings while protecting them from the elements. Information is kept dry and secure with a reinforced door. The double locking door swings open 180 degrees on a full length piano hinge to update collateral without holding open door. Outdoor message boards also feature a high-density polyethylene construction that prevents rotting, splintering and cracking. A finished back panel adds to the overall integrity of the structure. Choose between a self-sealing cork insert, black vinyl letterboard insert or our new synthetic fabric-covered tack board for the interior. NuBoard Letterboard inserts include 145-piece 2 3/4" Helvetica letter/number set.

Features:

- Includes two keys
- Double lock on sizes 45" x 30" and up
- Sliding glass door option available
- Optional header
- Posts optional - order separately

Case Dimensions:

- 3/4" wide main frame
- 1 1/2" wide door frame
- 5 1/2" exterior depth, 3 3/4" interior depth
- 8 1/2" rain cover depth

★ LED Illumination now available - Please call for info.

Outdoor Letterboard Disclaimer

With letterboards from United Visual Products, it is essential that the environment be taken into consideration when mounting outdoor enclosed boards. This includes the direction of the sun, the color of the insert, and the range in temperatures at different times of year. During hot seasons, these sealed boards can become super heated and inserts will warp if not installed and ventilated properly. If located in a warmer climate, consider choosing a board with a lighter exterior color construction, as well as a lighter insert. Please call our customer service department with any further questions.
