Notes & Details

Easily slice your signature meats with this Estella SLA13 13" heavy-duty automatic meat slicer! This slicer is perfect for high-volume delis, restaurants, and grocery stores. It boasts a powerful 1/2 hp motor to effortlessly slice through cheeses, meats, and other foods. It features a razor sharp 13" carbon steel blade for precise cuts, and it is rated for over 8 hours of use per day.

The automatic operation increases speed and efficiency. It also allows for operation without the constant presence of an operator, allowing you to focus on other tasks. For additional versatility, this unit allows you to switch from automatic slicing to manual mode. It features a mounted thickness stop to quickly and easily adjust the thickness of your cuts. It quickly and easily breaks down for thorough cleaning. This unit requires a 120V electrical connection for operation.
