Notes & Details

Create your own delicious cheese platters, appetizer plates, and garnishes with the Garde CHEESE38 3/8" cast aluminum cheese slicer! This durable, heavy-duty unit quickly cuts through mozzarella, Swiss, cheddar, and other cheeses to create uniform 3/8" cubes and slices that are great for any occasion. It can also be used to cut perfect slices of butter! Simply place your cheese block in the center of the unit and lower the arm to create uniform cuts in seconds!

This unit's ability to produce a uniform cut size over and over again results in greater portion control and immaculate presentation. And if you desire a different size cube, the slicing arms and wires are easy to change.
