Depth	13 1/2 Inches
Height	6 1/4 Inches
Edge Style	Serrated
Features	NSF Certified
Installation Type	Countertop
Material	Cast Aluminum
Power Type	Manual
Slice Size	1/2 Inch
Type	Slicers

Notes & Details

This Garde CHKSLC12 1/2" cast aluminum serrated blade cooked chicken slicer makes cutting strips of chicken faster and safer while providing greater portion control than the conventional knife-in-hand method! Simply push the plastic-coated handle down to cut up strips of grilled or breaded chicken for salads, wraps, and other chicken strip meals. The blade assembly makes 1/2" wide cuts that help control portion sizes and save you money. It can also be used on other tender meats like cooked turkey and roast beef.

Suction cup and non-skid feet secure this chicken slicer to any flat work surface, and the space under the slicer's cutting grid can accommodate most popular food pans up to 4 1/2" deep. This chicken slicer disassembles easily, and the blade is easy to replace and clean. For the freshest menu items and the tastiest profits, put the Garde chicken slicer to work in your kitchen!
