Notes & Details

Prepare fresh oysters with one quick, safe stroke using this Garde OYSTSHUK specialty oyster opener / shucker! Perfect for shucking oysters at your seafood restaurant, this cast aluminum shucker is designed with a durable point blade to pop open an oyster, so you can quickly access the meat inside without harming it.

A great alternative to handheld crackers, this oyster shucker helps reduce labor costs and increases efficiency during the food prep process. Plus, it's safer for your staff to use and ensures a clean, quick cut for less wasted product. The ergonomic coated handle provides a comfortable grip while the suction cup feet help keep this equipment in place on countertops. Save time and money at your establishment with this Garde oyster shucker!
