Hand Wash Only

Notes & Details

Create consistent burger patties with this Garde XL 181BPTR212KT 2" x 1/2" tray for XL slider presses. Designed to fit Garde XL slider presses, this tray slides into the unit to work as a mold for your burger ingredients. Since it is designed for making small patties for tasty sliders, this tray can mold up to 6 patties at once for increased efficiency of burger production.

Since this tray comes with the necessary bumpers, this set is perfect for replacing damaged or missing components on your burger press or changing your burger press's mold size. The bumpers provide the proper spacing so that the mold tray can easily slide into the patty molding machine.
