

## Lakeside 160715 Cereal Disposal Station

[elakeside.com/foodservice/product/cereal-disposal-station](http://elakeside.com/foodservice/product/cereal-disposal-station)

**SKU: 160715**

Convenient and easy to use solution for cereal waste. Designed specifically to solve for K12 cereal waste challenges, the Lakeside Cereal Disposal Station is a great system to capture liquid and cereal waste in an easy to empty, clog-free, and fully enclosed mobile cabinet. The unit includes a 7-gallon liquid waste container where students are encouraged to dispose of leftover milk and cereal. Also included is a section for dry refuse that accepts a 16-gallon Slim Jim waste can (by others). The liquid sink is 5" x 10" with high sides to catch any splashes. The 10" x 10" garbage chute ensures all refuse ends up in the trash. Internal cabinet includes a solid floor to fully secure anything that misses the garbage. Rear open-sided access is designed to discourage tampering with waste components. Durable stainless steel construction with heavy-duty 4" swivel casters.
