## Plan View

# Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating clear coat finish ladder back swivel bar stool black wood seat. This bar stool's wood seat combines with its contemporary ladder back steel frame to instill a modern look in any location. Plus, since this bar stool's back is contoured, it will provide comfort for the customer while maintaining a distinct appearance.

This bar stool's sturdy steel frame provides unmatched durability in your dining room. It can hold up to 330 lb. of weight thanks to the steel frame and supports under the seat. Additionally, the clear powder coating on this bar stool ensures longevity through everyday wear and tear, resisting strains, scratches, and smudges. It also features a ladder back design that gives it a unique visual appeal, making it perfect for either upscale or casual decor. The plywood seat provides comfort for your guests, and it's also durable and easy to clean! The black wood finish is perfect for adding a contemporary feel to your establishment.

This bar stool's swivel design allows guests to turn in their bar stools to comfortably socialize and fully enjoy your venue. Plus, the footrest gives customers a place to rest their legs. Each leg of this bar stool has a glide on the bottom to protect floors from becoming scuffed when the bar stools are moved. To save you money, these bar stools are shipped with the seat detached. This bar stool requires light assembly by screwing in the seat cushion to the top frame and assembling the swivel plate into the base frame.
