Notes & Details

Add a modern twist to your restaurant with this Lancaster Table & Seating mid-century black bar stool with vintage wood seat and backrest. This bar stool features a stylish mid-century design that adds a modern look to any establishment. Its curved rectangular back cradles the spine while the built-in 11" high footrest provides excellent leg support. Its wood seat and backrest are easy to clean and add a warm, natural touch to any setting.

Boasting a durable steel frame, this bar stool is built to withstand daily use and can hold up to 300 lb. To protect your floors and keep unwanted noise to a minimum, this bar stool includes plastic glides on the feet. To save you money, this bar stool is shipped with the seat and backrest detached. This bar stool requires light assembly by screwing in the seat and backrest to the frame. Complete your restaurant or bar's themed look with this Lancaster Table & Seating bar stool.
