Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating black finish ladder back bar stool with driftwood seat. This bar stool's sturdy wood seat with a sleek driftwood finish combines with its contemporary ladder back steel frame to instill a modern look in any location. Plus, since this bar stool's back is contoured for a customer's back, it will provide comfort while maintaining a distinct appearance.

This bar stool's sturdy steel frame provides unmatched durability in your dining room. It can hold up to 330 lb. of weight thanks to the metal frame and supports under the seat. Additionally, the black powder coating on this bar stool ensures longevity through everyday wear and tear, resisting strains, scratches, and smudges. It also features a ladder back design that gives it a unique visual appeal, making it perfect for either upscale or casual decor. The durable driftwood seat is easy to clean, and it offers style and convenience in your establishment!

This convenient bar stool weighs just 16 lb., which makes it easy for staff and customers to set up and move these seats. Each leg has a glide on the bottom to protect floors from becoming scuffed when the bar stools are moved. To save you the time and hassle of assembly, this bar stool is shipped fully assembled with the seat already attached.
