Notes & Details

Enhance comfort and convenience in your worship center, auditorium, or waiting room with this Lancaster Table & Seating golden vein church chair. Crafted with a sturdy 16 gauge steel frame, this chair ensures durability and long-lasting use in high-traffic areas. The soft burgundy fabric provides a comfortable seating experience for extended periods, making it ideal for congregational gatherings or lengthy events. Plus, the built-in storage pocket offers a convenient place to store hymnals, pamphlets, or other materials, keeping your space organized and clutter-free.

This stackable chair allows for easy storage and transport. Equipped with glides and bumpers, this chair is suitable for hard floors, protecting your flooring from scratches and scuffs. This chair can also accept a compatible book rack for extra storage (sold separately). Elevate the seating experience for your guests with this stylish and functional church chair from Lancaster Table & Seating.
