Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating black finish ladder back chair with 2 1/2" green vinyl padded seat. This chair's sleek padded seat combines with its contemporary ladder back steel frame to instill a modern look in any location. Plus, since this chair's back is contoured for a customer's back, it will provide comfort while maintaining a distinct appearance.

This chair's sturdy steel frame provides unmatched durability in your dining room. It can hold up to 330 lb. of weight thanks to the metal frame and supports under the seat. Additionally, the black powder coating on this chair ensures longevity through everyday wear and tear, resisting strains, scratches, and smudges. It also features a ladder back design that gives it a unique visual appeal, making it perfect for either upscale or casual decor. The 2 1/2" thick green vinyl padded seat provides exceptional comfort for your guests, and it's also durable and easy to clean! It is made with fire-retardant foam for added safety.

This convenient chair weighs just 13 lb., which makes it easy for staff and customers to set up and move these seats. Each leg has a glide on the bottom to protect floors from becoming scuffed when the chairs are moved. To save you the time and hassle of assembly, this chair is shipped fully assembled with the seat already attached.
