Notes & Details

If you're looking for an easy way to transfer stackable chairs throughout your restaurant, bar, banquet, or catered event, this Lancaster Table & Seating two wheel stacking chair dolly is perfect for you. This dolly allows you to transport up to 10 stacked chairs at once, saving you the time and effort you would have spent moving them individually. With a simple, durable design, this dolly provides a fast and efficient way to set up chairs in your crowded dining room or at popular events.

This dolly features a durable, heavy-duty steel construction, ensuring that it has the strength to carry even the heaviest loads. Equipped with 2 sturdy wheels, this dolly promotes effortless mobility and rolls smoothly across any surface. This dolly also serves as the perfect storage solution, allowing you to store chairs out of the way and keep your space looking organized. This dolly is designed for use with Lancaster Table & Seating stacking chairs (sold separately). Reduce the strain on your staff by adding this dolly to your busy operation!
