Notes & Details

Give your guests a safe, secure stand to hold their luggage off the floor with this Lancaster Table & Seating folding luggage rack. This luggage rack's wood construction gives it a more upscale feel when compared to metal racks. Its durable, solid wood frame and sturdy hinges are made to withstand daily use. To save time and hassle, this luggage rack ships fully assembled.

This luggage rack is the perfect solution to help your establishment save space. The space-saving folding design makes it easy to transport and offers out-of-the-way storage. Simply flip it open easily for instant service! It has four nylon straps that support up to 70 lb., making it ideal for use with heavy luggage and duffel bags.

The 20" height and simple design is perfect for hotels, motels, bed and breakfasts, and other hospitality businesses! Plus, its timeless black finish ensures a professional appearance to blend in with a variety of decors. Store it in your guest room closets, and give your guests the convenience of home with this luggage rack.
