Notes & Details

Rural countryside meets urban city with this Lancaster Table & Seating adjustable screw top bar stool with driftwood seat! This bar stool's driftwood seat combines with its sleek metal frame to add a rustic element with contemporary flair to your establishment. The seat offers the natural look of wood with its distressed finish and weathered texture, providing a warm, welcoming feel to your establishment. Durable and stylish, this bar stool is a versatile option for any brewery, winery, or restaurant.

This bar stool's sturdy steel frame provides unmatched durability in your dining room. It can hold up to 350 lb. of weight thanks to the metal frame and supports under the seat. Additionally, the clear powder coating on this bar stool ensures longevity through everyday wear and tear, resisting strains, scratches, and smudges. Plus, the durable driftwood seat is easy to clean and maintain, and it offers style and convenience in any establishment!

This bar stool can be easily adjusted between bar height and counter height for incredible versatility. Just spin the seat until it's at the perfect height, then set the locking arm to secure the seat. The built-in footrest gives customers a place to rest their legs. Each leg comes with an integrated glide to protect your floors from scuffing. To save you the time and hassle of assembly, this bar stool is shipped fully assembled with the seat already attached.
