Notes & Details

Provide your establishment with a versatile look with the Lancaster table & seating 24" round reversible birch / ash laminated bar height table with round cast iron base plate. With this table you can easily provide guests in your cafeteria, deli, or pizza parlor with a stable place to eat their meals. Thanks to the versatile, reversible birch and ash top, you don't have to worry about it clashing with the color scheme or decor of your business. You can simply choose between the birch side or the ash side for the ideal look in your establishment.

Additionally, it's made from durable laminate materials that are sure to stand up to long-term use in your restaurant or deli. Plus, this material makes the table top incredibly easy to clean. The brown vinyl molding on this product prevents your table from any unattractive chipping and scuffing, keeping your table looking great through general wear and tear.

Held high and balanced with its ample 3" diameter, the bar height column raises the included table top and keeps it steady while guests enjoy your signature drinks and dishes. Plus, it comes with a rod, washers, and a nut to secure the column to the base plate and table top for additional stability. Made of durable painted steel, this column is built strong to support the heavy weight of table tops. It also boasts a black, powder-coated finish that promotes a professional appearance and matches any color scheme.

The round cast iron base plate can easily be installed to ensure the table stay steady and balanced while guests enjoy their meals or drinks. Made of heavy cast iron, this base plate is sure to provide long-lasting use. It also includes pre-drilled holes, making it easy to insert glides to prevent your floors from being scratched.
