Notes & Details

This Lancaster Table & Seating black vinyl folding chair with 2" padded seat is a great addition to any catered event! It is made of strong and durable 18 gauge steel ensuring that its attractive, professional appearance will last throughout years of service. The back of the chair and the seat itself both have soft vinyl padding to allow for optimum comfort. Its 2" thick foam padded seat gives added comfortability to the chair.

This chair's vinyl upholstery and frame are black, giving it an attractive look. It is versatile enough for both casual and formal events, making it an economical choice for any business. Each foot features a non-marring floor glide to protect floors from scratches and scuffs. Plus, after your event is over, this light weight chair folds up for easy transportation and compact storage. Make setting up and tearing down parties and banquets simpler than ever with this folding chair!
