Notes & Details

Provide your guests with a comfortable place to sit with this Lancaster Table & Seating 48" square white picnic table with attached benches! Made specifically to withstand aggressive handling and constant use in institutional and commercial settings, this picnic table is a long-lasting addition to any facility. The table and benches are constructed of light weight, high-density polyethylene that is perfect for outdoor use. Plus, 4 benches are attached to the frame on all sides of the table, offering easy and convenient seating.

An umbrella hole is cut out of the center of the table to protect users from the weather, rain or shine. The frame is made of strong powder-coated steel that is resistant to rusting and more durable than wood. The all-weather construction is also resistant to staining, peeling, chipping, and cracking, guaranteeing a professional appearance even with heavy use. Invest in a table that's built to last with this Lancaster Table & Seating picnic table with attached benches. Please note assembly is required for this item.
