Notes & Details

This Lancaster Table & Seating white contoured injection-molded folding chair with gray frame is a great addition to any catered event! Its high-impact, injection-molded polyethylene back and seat will not crack, chip, or peel, ensuring that its attractive, professional appearance will last throughout years of service. The back and seat are also contoured to fit the shape of each individual for comfort with extended use.

Thanks to its construction, this chair can be used both indoors and outdoors. It is versatile enough for both casual and formal events, making it an economical choice for any business. The heavy-duty powder-coated steel frame has an ample 250 lb. weight capacity. Plus, each foot has a rubber cap to protect floors from scratches and scuffs. After your event is over, this light weight chair folds up for easy transportation and compact storage. Make setting up and tearing down parties and banquets simpler than ever with this Lancaster Table & Seating folding chair!
