Notes & Details

Allow your guests to enjoy the breezy summer weather with this Lancaster Table & Seating 32" x 32" matte gray powder-coated aluminum bar height outdoor table with umbrella hole and 4 barstools! Designed specifically for outdoor use, this combo makes an excellent addition to restaurants, bar patios, and other outdoor entertainment areas such as banquets and luaus. Their lightweight construction allows you to easily move them around your outdoor setting for the best possible view. Your guests will love the opportunity to enjoy the temperate weather with the convenience and comfort of this table!

This table features a pedestal base that allows it to stand firm on your patio. Plus, it features a built-in umbrella hole so you can pair the table with a compatible umbrella (sold separately) to add shade at your restaurant or cafe. Its bar height is perfect to let guests stand comfortably while enjoying their drinks or meal while also having the option to sit. Plus, the barstool's slotted design allows for excellent airflow to keep guests cool while they are seated. Its 300 lb. capacity brings strength and durability to the chair and your presentation.

Both this table and its chairs are made of powder-coated aluminum, which is durable enough to resist weather and corrosion. Their smooth surfaces feature a matte gray color that's sure to induce a lively atmosphere and complement the warm summer sky. Thanks to its UV-resistant finish, the color won't fade over time when left in the sun for longer periods. Place them on your patio and let your guests enjoy!
