Their smooth surface features a bamboo finish and a modern brown, UV-resistant Teslin net woven fabric that is sure to enhance your decor and help keep this outdoor chair looking new. Teslin is a synthetic material made from a blend of PVC and polyester fibers woven together to make a mesh-like fabric that is highly durable and affordable. Plus, this low-maintenance material dries quickly and is easy to clean.

Each chair boasts a 330 lb. weight capacity, and the frames are reinforced with additional under-seat cross bracing to provide strength and stability without adding extra bulk or weight to the sleek design. To ensure that your customers are free to enjoy your signature drinks, appetizers, entrees, and desserts, these chairs feature supportive rounded backs for exceptional comfort. Plus, arm rests provide your guests with ultimate comfort while enjoying a meal or beverage.

In addition to being stylish and durable, this light weight set is also easy to move and transport so you can quickly reconfigure your dining space and easily clean up at the end of the night.
