Notes & Details

Allow your guests to dine outdoors in style and comfort with this Lancaster Table & Seating Bistro outdoor side bar stool! At an ideal height for both bar and raised table seating, this bar stool makes an excellent addition to your restaurant, cafe, hotel, or bistro. Its unique, bamboo-like finish and trendy chevron pattern instantly add visual appeal to your establishment and will catch the eyes of both customers and passersby. To save time and hassle, this bar stool ships fully assembled.

This bar stool is made of powder-coated aluminum that is durable enough to resist weather and corrosion while still being light weight for easy maneuvering. Its smooth surface features the look of bamboo, and the classic navy and white, UV-resistant woven seat is sure to enhance your decor and help keep this outdoor bar stool looking new. Made of polyethylene rattan material, the seat and back feature premium-quality weaving for a stylish, handcrafted look. Plus, this low-maintenance material is easy to clean with a damp cloth and mild soap.

This bar stool boasts a 330 lb. weight capacity and features supports under the seat to provide strength and stability without adding extra bulk or weight to this sleek design. To ensure that your customers are free to enjoy your signature drinks, appetizers, entrees, and desserts, it features a supportive rounded back for exceptional comfort. Plus, the built-in footrest helps reduce pressure on your customers' legs and lower backs.

In addition to being stylish and durable, this light weight bar stool is also easy to move and transport so you can quickly reconfigure your dining space and easily clean up at the end of the night. It can be used indoors during the off-season then transferred outdoors as the weather gets nicer! Your guests will appreciate the opportunity to enjoy the temperate weather with the convenience and comfort of this outdoor bar stool and its rattan seat!

This bar stool can be stacked with up to four other Lancaster Table & Seating Bistro side bar stools to maximize storage space! This stackable design makes it ideal for businesses with minimal storage space, while the legs are capped with floor glides to help protect your floors from scuffs and scratches. This added level of protection is great for indoor use should you decide to use this bar stool within your establishment. The protective glides also help keep the bar stool in place, preventing unwanted movement during use!
