Notes & Details

Keep your umbrella secure with this Lancaster Table & Seating 4-piece gray fillable cantilever base with wheels. This base is perfect for providing your outdoor seating area with the stability it needs to keep your customers safe and comfortable. It includes a set of 4 resin containers that can be easily filled with water or sand.

This base weighs 286 lb. when completely full. The 4 containers sit inside of a durable steel frame. The frame includes wheels on the bottom to make it easy to move around, and it boasts a cover to conceal the fillable containers for a neat and professional look. This base is designed for use with Lancaster Table & Seating cantilever umbrellas (sold separately). Ensure your outdoor seating area is safe and secure with this fillable cantilever umbrella base.
