#427CLBASEANC

Notes & Details

Keep your cantilever umbrella secure with this Lancaster Table & Seating surface-mount anchor plate. This base is made of durable steel to ensure long-lasting use. It's compatible with Lancaster Table & Seating cantilever umbrella frames (sold separately), and it bolts directly into concrete to ensure maximum stability. To keep your umbrella upright and prevent damage, go with this convenient anchor plate!

Kit Includes:

- Anchor plate
- (4) Expansion bolts
