Notes & Details

Allow your guests to unwind in style and comfort with this Lancaster Table & Seating white stacking adjustable chaise with marine blue sling seat! Whether poolside with a cocktail or on the beach with a book, this chaise lounge is the perfect way to treat your guests to rest and relaxation. It offers a 5-position adjustable back so that each user can adjust it to the ideal position for their ultimate comfort. This chaise boasts a sturdy fiberglass-reinforced, 100% virgin polypropylene frame for long-lasting durability. Its sling seat features a breathable, flexible synthetic fabric design for comfort, and the bright marine blue color adds eye-catching visual appeal to create a relaxing oasis.

This chaise is great for outdoor use and can be washed with a power washer. Plus, this chaise can stack up to 20 chairs high for simple, compact storage. Allow your guests to relax in this chaise lounge for a stay they won't forget!
