Notes & Details

Keep your tables stable with this Lancaster Table & Seating Excalibur outdoor table base and column! This base can easily be installed with 28" and 30" square Lancaster Table & Seating table tops (sold separately) to elevate them to standard table height and to ensure tables stay steady and balanced while guests enjoy your signature drinks and dishes. Its black finish and square base plate create a sleek, modern aesthetic.

This durable unit is made of strong stamped steel with a sleek and resilient black e-coating. Blending into any environment to enhance your dining space, this table base and column kit is sure to provide reliable long-lasting use at indoor and outdoor eateries. For extra support, this table base comes with a steel spider that improves balance and helps to maintain a flat surface.
