## Notes & Details

Keep your outdoor tables stable with this Lancaster Table & Seating Excalibur table base and column! This bolt down column base can easily be installed with select Lancaster Table & Seating Excalibur table tops (sold separately) to elevate them to standard dining height and to ensure tables stay steady and balanced while guests enjoy your signature drinks and dishes. Made of strong stamped steel with a sleek and resilient black e-coating, it's well equipped to weather the elements and resist corrosion.

Blending into any environment to enhance your dining space, this table base and column kit is sure to provide reliable long-lasting use at both indoor and outdoor eateries. Plus, its permanent bolt down design provides extra stability in the face of harsh weather conditions! Use this table base and its included hardware to replace a worn or damaged base on your Lancaster Table & Seating Excalibur table (sold separately).
