Pink/Crank Cantilever Umbrella without Lights - 10' x 10'

Notes & Details

Enjoy the outdoors under the pleasant shade of this Lancaster Table & Seating 10' tundra tan crank lift silver aluminum cantilever umbrella! This umbrella's 10' span is perfect for shading a table from the sun. Its crank lift mechanism makes it easy to open during the day, close after hours or during inclement weather, and store in the off-season. Better yet, its cantilever design provides open, unobstructed use for your guests.

A single vent in this breathable canopy allows for increased air flow. The fabric is resistant to fading and boasts UV50+ sun protection to last for 3-4 years. This water-resistant, 260 GSM solution-dyed acrylic fabric also repels dirt and is easy to clean. Plus, its tundra tan color is sure to add a classic look to any space, making it perfect for parties, picnics, and events. This umbrella comes with convenient straps with hook and loop fasteners to keep the umbrella closed when not in use, while its silver powder-coated aluminum frame is built to withstand consistent use in your establishment. Plus, you can prolong the life of your canopy with a compatible umbrella cover (sold separately). Choose this Lancaster Table & Seating umbrella to enhance your outdoor space and keep guests happy and comfortable.
