### Notes & Details

Ensure your outdoor umbrella is protected from the elements with this Lancaster Table & Seating beige umbrella cover. An essential addition to any outdoor dining area, this cover is designed to fit mid-pole umbrellas ranging from 6'-9' in diameter (sold separately), providing a versatile option for protecting your outdoor furniture. It's made of durable 210 GSM polyester fabric, which is both fade- and weather-resistant.

This cover is perfect for protecting your umbrella from sunlight, rain, bird droppings, and harsh weather conditions. It features a zipper, making it easy to put on and take off, and it includes a string on the zipper to allow for an easier reach when draping the cover over your umbrella. Perfect for use on your patio, deck, or outdoor dining area, this cover is sure to help you to maintain a clean and professional appearance and prolong the life of your umbrellas.
