Notes & Details

Enhance your outdoor dining area with this Lancaster Table & Seating Virelli standard height outdoor table and chairs! Crafted from solid tigerwood with mortise and tenon joints, this set is built to provide long-lasting durability. Its warm finish adds a touch of natural beauty to your outdoor decor. Better yet, as this set naturally ages, it develops a soft, sun-faded patina over time, providing a unique, silvery gray finish that's sure to dazzle your guests. This set features a water-based varnish that both enhances the look of the wood and protects against harmful UV rays and moisture absorption, ensuring it will hold up in the elements. To save you money on shipping costs, the table ships unassembled and comes with assembly hardware for quick and easy setup. The chairs ship fully assembled.

Great for indoor or outdoor use, this set is an excellent choice for any business looking to expand their seating options. Each of the 2 included side chairs boasts an ample 350 lb. weight capacity. The chairs feature a slat back design that offers both support and a modern aesthetic that will elevate any patio or resort space. Each of the chairs is stackable with other Lancaster Table & Seating Virelli slat back side chairs up to 4 high to maximize storage space.

The table's 39 3/8" x 39 3/8" size is perfect for comfortably seating 2-4 guests. A 2" umbrella hole is built into the center of the table so you can attach an umbrella (sold separately) to keep your guests comfortable on sunny days.
