Notes & Details

Keep your space clean and welcoming with this Lancaster Table & Seating 15 gallon stainless steel round decorative waste receptacle with push door lid. Made of durable stainless steel, this unit is built to last. This receptacle's round design fits nicely into corners and other small spaces, and blends well with any environment. With a classic stainless steel finish, it's sure to look great in any indoor setting.

This unit features a covered dome lid that comes off to make changing bags simple and easy. It also includes a push door lid for discreet waste disposal. Furthermore, each can includes two bag clips to ensure your liner stays in place during use. Its 15 gallon capacity makes it a great option for any office, lobby, or retail store.
