Notes & Details

Keep your establishment clean and welcoming with this Lancaster Table & Seating 2.1 gallon stainless steel round decorative wastebasket. Made of durable steel, this unit is built to last. Plus, its brushed stainless steel finish provides a sleek, professional look and helps hide smudges and fingerprints.

This wastebasket includes a rigid inner liner for easy cleaning. The open top allows for quick, convenient waste disposal. With a 2.1 gallon capacity, this unit is perfect for hotels, offices, and restrooms.
