Notes & Details

Keep your space clean and welcoming with this Lancaster Table & Seating 32 gallon stainless steel elliptical two-stream decorative trash can. Made of durable steel, this unit is built to last. The elliptical design allows for convenient access from any direction. With a classic brushed finish and perforated design, it's sure to look great in any setting.

This unit includes 2 separate streams to make it easy for guests to sort their trash and recyclables. Each section boasts a powder-coated steel liner with a 16 gallon capacity for a total capacity of 32 gallons. Its covered top helps to contain and conceal the trash inside. This trash can is a great option for large offices, shopping centers, and playgrounds.
